**Patient Financial Responsibility and Insurance Disclaimer**

I understand and agree that I am financially responsible for all charges for services rendered and/or products ordered. This includes any medical service or visit, routine examination, refraction, testing, contact lens services, and any other screening ordered by the doctor or staff.

Co-payments and self-pay services that are not covered by insurance will be collected at the time of service. The cost of any returned check fees are considered patient responsibility.

I understand that while my insurance may confirm my benefits, confirmation of benefits is not a guarantee of payment and that I am responsible for any unpaid balance. I agree to inform the office of any changes in my insurance coverage. If my insurance has changed or is terminated at the time of service, I agree that I am financially responsible for the balance in full.

I understand and agree that it is my responsibility to know if my insurance has any deductible, co-payment, co-insurance, out-of-network, usual and customary limit, prior authorization requirements, or any other type of benefit limitation for the services I receive, and I agree to make payment in full.

I understand and agree that it is my responsibility to know if my insurance requires a referral from my primary care physician and that it is up to me to obtain the referral. If you arrive for an appointment without a referral on file, you have the option to reschedule the appointment or to pay in full for all services rendered.

If I am a Medicare patient, I understand that I need to provide the office both my Medicare ID card and my secondary ID card. If the office does not have the proper information for a secondary insurance, the secondary will not be billed. We will bill your insurance as applicable, however, you are ultimately liable for any fees and costs not covered or paid by your insurance. Questions about non-payment should be directed to your insurance company. Our office does not make the rules. They are determined by your specific medical insurance or vision plan.

**Office Communication Practices**

We may use or disclose your PHI, as necessary, to contact you to remind you of your appointment. We may contact you by call, text, email, or other means to provide results from exams or tests, to provide information that describes or recommends treatment alternatives regarding your care, or to provide information about health-related benefits and services offered by our office.

### MEDICAL APPOINTMENT CANCELLATION/NO SHOW POLICY

Thank you for trusting your eye care to Focus Eye Group. When you schedule an appointment with Focus Eye Group, we set aside enough time to provide you with the highest quality care. Should you need to cancel or reschedule an appointment please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment. This gives us time to schedule other patients who may be waiting for an appointment.

Please see our Appointment Cancellation/No Show Policy below:

- Effective January 1, 2021 any patient who fails to show or cancels an appointment and has not contacted our office with at least **24 hours notice** will be considered a No Show and charged a **\$50.00 fee**.
- The fee is charged to the patient, not the insurance company, and is due at the time of the next scheduled appointment.
- If a third No Show or cancellation occurs with no 24 hour notice, the patient will be dismissed from our practice.

We understand there may be times when an unforeseen emergency occurs and you may not be able to keep your scheduled appointment. If you should experience extenuating circumstances please contact our Office Manager, who may be able to waive the No Show/cancellation fee. You may contact Focus Eye Group Monday through Friday. Should it be after regular business hours, you may leave a message.

**Focus Eye Group: 610-384-9100**

I have read and understand the Appointment Cancellation/No Show Policy and agree to its terms.
